EAGLE POINT
V.S. GOLD HILL

SCHOOL BUDGET PASSED
BY UNANIMOUS VOTE

"Let's show them we can win." This is the slogan of both girls and boys, in regard to the practice game with Gold Hill scheduled for next Wednesday night. This game is to be played in the Eagle Point Gym at 7:30 p.m. Admission is 15 cents for students and children and 25 cents for adults. Let's have a big crowd.

CAMPAIGN STARTED TO INSTALL SHOWERS

The student body has undertaken a campaign to raise money to purchase showers for the boys' and girls' gymnasium.

Subscriptions, student body funds, and entertainments will be the main means to raise this money. The balance of this fund we hope will be contributed by the school board and P.T.A. The entire success of this project depends on the cooperation of the former.

The students expect to make the proposition so attractive that they will hardly resist lending a helping hand.

This project went into effect at the last student body meeting in which plans were discussed and the boys offered to donate their services.

The school budget which has been an important issue for the past few weeks was passed unanimously by the voters on Saturday November 16.

"THANKSGIVING"

It has been almost three hundred years since the first travel-wearied pilgrims landed on the New England coast.

Since the landing of these sturdy hearted home builders, there has grown on this continent a new nation ranking among the highest of the universe..

we, the citizens of this new nation have many things for which we should be thankful. Our government, our work by which the daily bread of the multitudes is assured, the security of a peaceful community, and above all the love and joy derived from the harmony of home life.

Make a pact with yourself that when you are dissatisfied, to list in your mind the things for which you might be thankful and crowd the other thoughts from their hiding places. "Let us count our blessings and be 'Thankful!'" M. M.

KIRCH PEILE
BOYS' CAPTAIN

At a meeting of the boys' basketball team Thursday noon, Nov. 14, Kirch Peile was elected Captain, and John Medley, business manager, for this year.

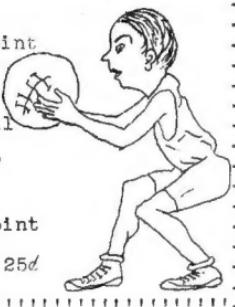

A practice game was held Monday evening, between the town team of Eagle Point, and the boys' high school team.

The town team defeated the school team, 13 to 3. Although the boys were defeated badly they made a fair showing as the town team has the advantage in weight, height and speed over the school team.

EQUIPMENT COMMITTEE
DISCUSSES NEEDS

The basketball equipment committee met at 12:15 Friday Nov. 15, to decide on the equipment needed. The boys' practice equipment will be purchased now. This includes four pairs of trunks and seven jerseys. It was also decided to purchase a new basket ball and new nets for the baskets.

The girls will get their equipment later.

GRANGE CARNIVAL
GREAT SUCCESS

Cars were lined up on both sides of the road from the Grange hall to the school house in attendance to the Carnival given Friday, November 15.

Dinner was served from six to eight p. m. The fish pond was empty before eight o'clock.

Enid Ward, the little snake charmer was a great attraction for the people, while the fortune teller, Mrs. Van Scov had several waiting when the carnival closed.

The corner near the stage was given to dancing. There were three booths, one for each of the following: fancy work, canary, and crepe paper hat modeling.

One corner was devoted to the raffling of turkeys, a radio and several other articles of food.
